# Saline County Library Board of Trustees Meeting Minutes

#### 13 January 2025

Attendees:

Marian Douglas, Board Chair Allison Nolley, Board Member Kara Conrad, Board Member Jamie Clemmer, Board Member Richard McKeown, Board Member Matt Brumley, County Judge Leigh Espey, Library Director Stony Evans, Assistant Library Director Kolton Jones, Saline County Attorney Pat Bisbee, Quorum Court Liaison Tonia Breckenridge, HR Manager Arielle Wilson, Finance Manager

- 1. Call to Order Douglas called the meeting to order at 4:00 PM.
- 2. Announcements No announcements.
- 3. Public Comment No public comment made.
- 4. Minutes from the 19 November 2024 board meeting Clemmer motioned to approve the minutes. Conrad seconded the motion which passed unanimously.

#### 5. Financial Reports

a. Income and Expense Reports

#### 6. Discussion Items

- a. Director's Report
- b. Library Management Team Reports

#### 7. Unfinished Business

a. Review of Policies

**Rules and Regulations**: Conrad motioned to approve the updates. Nolley seconded the motion which passed unanimously.

**Wireless Internet Policy**: Nolley motioned to approve the updates. Conrad seconded the motion which passed unanimously.

**Meeting Room Policy**: McKeown motioned to approve the updates. Clemmer seconded the motion which passed unanimously.

**Library Closings for Holidays**: Conrad motioned to approve the updates. Clemmer seconded the motion which passed unanimously.

#### b. RFQ for Auditing Services

The board discussed that the RFQ has not received any response. Judge Brumley was asked to please make the Quorum Court aware that the library is still working to acquire a third-party audit.

#### 8. New Business

#### a. Spring Staff Development Days

Espey asked if the library could have two staff development days in the spring on March 17 and 18. McKeown was in favor of two days but asked if two other days could be considered so that the library was not closed three days in a row. A discussion was had offering several alternate options, and ultimately, the board, along with Espey, decided that April 3-4 would be a good alternative. Conrad motioned to allow for the library to close to the public April 3-4 for staff development. Nolley seconded the motion which passed unanimously.

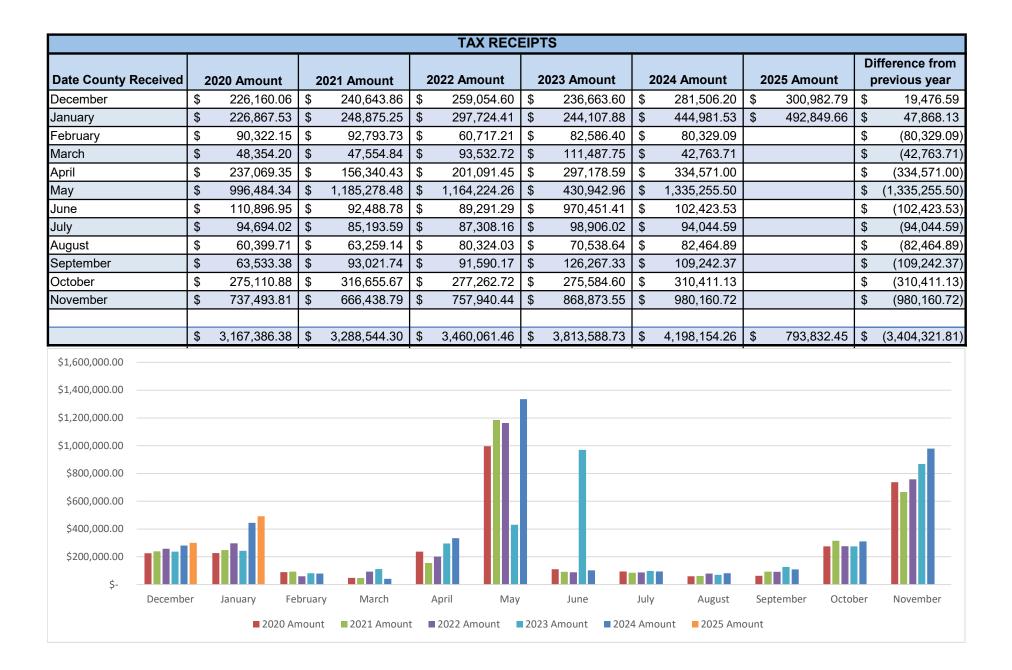

#### b. Check Signer Resolution

The resolution was signed. Douglas asked that the personal policy be updated to include a list of approved positions that are eligible to be check signers.

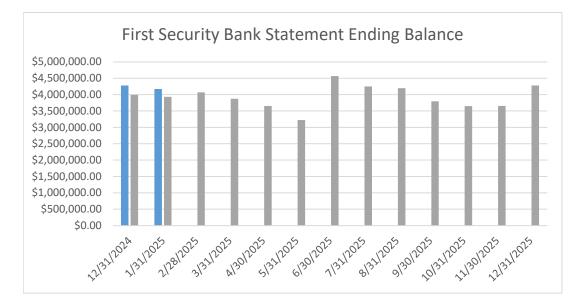

#### Adjourn: 6:08 PM

Clemmer motioned to adjourn the meeting. McKeown seconded the motion which passed unanimously.

## Library Director's Report March 2025

#### In-Service 2025

Staff in-service is scheduled for April 3-4. Tonia has scheduled several trainings for staff including cybersecurity, mandated reporting, customer service, and staff wellbeing.

#### **Reconsideration Meeting**

A patron requested a meeting for items they had concerns about. After the meeting, the patron filed a reconsideration request for two of the items discussed in the meeting that are located in the Teen section of the main library in Benton. I have requested copies of the titles through the statewide sharing system for interlibrary loans for committee members to read as several libraries in Arkansas own the titles. I did not hear back from the requester to have a meeting with the committee prior to deliberation so that the person could express their concerns to the committee, so we are continuing with the next step in the process which is each member of the committee must read the items in their entirety. I will keep the board updated as the process continues.

#### **RFID Update**

Equipment for the update has started arriving. Installation is currently scheduled to start the week of March 10. They will start in Benton, then move to Bryant, and finally to East End.

#### **Front Landscaping**

In the fall, we removed the front landscaping beds as they were becoming overgrown and unruly. A garden committee was formed to transform those areas into passive programming spaces to showcase native plants.

#### Gann Museum

The Gann Museum Board met on January 29. They approved moving forward with updating the HVAC system and getting quotes from contractors to update the backdoor egress and water drainage solution for the rear of the building. This area is not part of the historical bauxite portion of the museum, so the work will not affect the original building that housed Dr. Gann's office.

#### MidArkansas Regional Library Board Meeting

The MidArk board meeting has been rescheduled for Friday, March 14, at 10:00 AM at the Grant County Library.

## Library Management Team Report Assistant Library Director March 2025

#### **Benton Branch**

We had a team of library staff from the Pine Bluff (Jefferson County) Public Library system come to tour our Makerspace and Youth Services/ Children's Library on February 25th. They were interested in how our Youth Services team reorganized the books into genres. The team also wanted to see the Makerspace and learn how we run this popular program among patrons. I have witnessed a lot of planning already happening for the Summer Reading Program (SRP) which has included Laura Austin (Adult Services) and Wendy Christy (Youth Services) along with Kari Lapp (Public Relations Manager). All the programmers have been engaged with ideas on how to make SRP the best experience possible for all ages in 2025. This planning included several meetings with the most recent occurring at the East End branch with all of our programmers. In addition, Madison Oden and her team in Public Services have been removing old DVDs to make space for new ones. They are always planning new ways to enhance patron experience.

#### **Bryant Branch**

Branch Manager Susan Jacobs worked with Makerspace Specialist Becca Griffin, Adult Services Manager Laura Austin, and Adult Programmer Chloe Bridges to redesign the Makerspace over the past several weeks. The reorganized space has received much attention and use from Bryant patrons. The visiting team from Pine Bluff also toured the Bryant facility on February 25th. They were specifically interested in the smaller Makerspace there. Susan and her team continue planning upcoming programming in Bryant for the best possible patron experiences.

#### **East End Branch**

Branch Manager Amanda Garrison and her team started a new program for teens called Teenage Kindergarten. The show and tell session was so popular that 20 teens showed up to participate. In addition, the local middle school art teacher brought some of her students to create a new mural in the meeting room. This has been a wonderful collaboration and has contributed to the additional interest teens have had in the East End Branch. I look forward to seeing how these relationships grow in the weeks ahead.

IT

IT continued rolling out the new public facing staff computers and preparing for our new Square equipment. We also started the planning process for our move to Bibliotheca from Tech Logic. Geoff did an excellent job of staying on top of the day-to-day IT issues while maintaining a maximum up-time for our network.

### Maintenance/Housekeeping

Billy, as always, stayed on top of the day-to-day maintenance issues while also preparing for the HVAC retrofit at the Gann. As we had some snowy weather, he was busy treating the sidewalks and entryways to make things as safe as he could for staff and patrons.

Brittion and Tatiana continued to do a fantastic job of keeping our Benton and Bryant locations clean and presentable for staff and patrons alike.

## Library Management Team Report East End March 2025

#### East End Library

We had 1725 people visit during the month of January, an average of 86 per day, and made 49 library cards. We answered 317 questions (13 digital questions, 185 general questions, 61 reference questions and 58 questions about technology) and had 20 people use our Study Room, 197 use the Meeting Room and 218 use our CreativeSpace. We had 63 use our computer lab for 51 hours and 16 minutes, 49 minutes on average. We had 425 participate in our programs for the month. We completed four notaries.

In February, we had 1635 people visit, an average of 97 per day, and made 38 library cards. We answered 246 questions (22 digital questions, 116 general questions, 50 reference questions and 58 questions about technology) and had 24 people use our Study Room, 231 use the Meeting Room and 124 use our CreativeSpace. We had 63 use our computer lab for 39 hours and 12 minutes, 37 minutes on average. We had 568 participate in our programs for the month. We completed five notaries.

We were very excited to start a new teen program at East End in February called Teenage Kindergarten. At this program, middle schoolers and high schoolers get to pretend that they're back in kindergarten and enjoy making crafts and participating in storytimes. It's going really well. Our first program had five teens and the second had 23! We had to cancel the third one due to inclement weather, but the last one of the month had 16 participants. We're excited to have teens using the library. They feel safe and are able to be themselves, which is something we strive for in our libraries.

In addition to this new teen program, we had two high school seniors complete job shadow projects here at East End. They learned about all the things we do behind the scenes at the library and helped with planning programs, gathering statistics and selecting materials. Hopefully we'll have two new librarians in the future!

Daily visits to the library are steadily increasing. While last year we saw about 75 or 80 patrons each day on average, we're getting closer and closer to 100 or more patrons coming in each day. In addition to the amount of programs were doing each week and attendance at those, plus increased foot traffic in general, it's clear that adding new staff will need to occur eventually. I've recently been in contact with several other branch managers of libraries across the state that are similar in size and scope to our location and they have 7-10 staff members, while we have two full-time and one part-time.

#### Programming

The new version of the Seed Library program launched in February. The changes we made are intended to ease internal processes while allowing us to track our check-outs of seeds more easily. So far staff have been very positive about the changes. We intentionally rolled out the changes quietly to ensure our processes were working as we had planned. We have now started actively promoting the new program and believe our numbers will grow quickly with the coming of Spring.

#### Health-focused

We have added Chair Yoga to our health-based programming each Monday at 11:00 A.M. A group of regular attendees is growing quickly.

#### **Creation-focused**

We continue to have great success with our crafting and creating programs.

The Bryant Makerspace closed for the month of January for a remodel. Since reopening we have seen an increase in patron attendance.

#### Information-focused

Our Winter Reading, Winter Watching, and Winter Writing Challenges were quite successful. Winter Reading was by far the most popular, but we had patrons participating in all of the various challenges. We had 222 adults register; of those, we had 137 completed challenges.

### Staffing

We have a brand-new PT Library Assistant, Katie Baker. If you see her, say hello! Staff has been doing amazing, and we've been jazzing up the Workroom to make it a bit more accessible for our staff. We're also trying to find our rhythm between desk time and shelving, and I think we're getting where we need to. I have an awesome staff, and they've come a long way in the time I've had them. Super proud of them.
